

Relay For Life Brier Creek/RTP Committee Meeting

(Raleigh, NC) (March 1, 2010) - The American Cancer Society Relay For Life of Brier Creek/RTP committee is holding a meeting on March 11, 2010 at 6:00 PM at the American Cancer Society (8300 Health Park, Suite 10, Raleigh, NC 27615) to share with residents the importance of Relay for Life in saving lives from cancer.

Relay For Life is the signature event of the American Cancer Society. It is a fun-filled, overnight event that mobilizes communities throughout the country to celebrate survivors (anyone who has ever been diagnosed with cancer), remember loved ones, commit to fight back through healthy lifestyle changes, and raise money for the fight against cancer.

“Relay For Life is as much an awareness raiser about the progress against cancer as it is a fundraiser,” said Sarah Caudle, Community Manager for the American Cancer Society. “Individuals who are willing to give their time and energy to this exciting event, as a volunteer or participant, have made a commitment to fight back against this disease and let the community know that you can beat cancer.”

Teams of eight to 15 members gather with tents and sleeping bags to participate in the largest grassroots fundraising event in the nation. Relay For Life brings together friends, families, businesses, hospitals, schools and communities. Teams seek sponsorship prior to the Relay, all with the goal of eliminating cancer.

Volunteers are needed to organize and recruit teams, seek community support, coordinate logistics, find refreshments and prizes, plan entertainment, and lend their support in any way.

To learn more about Relay For Life, visit www.RelayForLife.org. For information on the March 11, 2010 meeting, or if you would like to volunteer on the Relay For Life committee, please contact Sarah Caudle at 919.334.5245.

The American Cancer Society is dedicated to eliminating cancer as a major health problem by saving lives, diminishing suffering and preventing cancer through research, education, advocacy and service. Founded in 1913 and with national headquarters in Atlanta, the Society has 13 regional divisions and local offices in 2,400 communities, involving millions of volunteers across the United States. For more information, call 1-800-ACS-2345 or visit www.cancer.org.
