

## Z-Bowl Scheduled to Open in Downtown Mebane in Early 2010

&nbsp;

11-06-2009

MEBANE, N.C. -- It's unlike anything Mebane has ever seen. Imagine an upscale entertainment complex featuring state-of-the-art bowling and small ball bowl area, billiards, high-end arcade games, HD projection and flat-screen TVs, open-hearth pizza and open-flame grill, a beer and wine bar featuring foreign and domestic beers on tap, and executive bowling suites with cozy living room-style seating.

And, imagine it all opening in downtown Mebane, North Carolina in early 2010.

Z-Bowl, a family entertainment center, includes not only Mebane's first bowling alley, it will provide value entertainment for the entire family. Z-Bowl is a project of FEC Partners, LLC of Raleigh. Qubica/AMF has licensed FEC Partners, LLC and is working with them to make Z-Bowl a bowling and entertainment destination like no other in the region.

"Z-Bowl will include 18 high-tech bowling lanes, but there is so much more," says Roger V.S. Camp, Manager of FEC Partners, LLC. "Z-Bowl will be a family fun destination for people in the five county area around Mebane. Z-Bowl will have the best bowling, largest arcade, the largest tap beer selection and the most TV's around. It's a party atmosphere in every way, every day."

With its wavy lighted ceilings, glassed keg rooms, outside deck seating area with televisions, private party rooms and reserved VIP bowling sections, Z-Bowl is expected to generate a great deal of excitement and business for downtown Mebane.

"Because bowling is the number one participation sport in the United States, we expect that Z-Bowl will bring a lot of people to Mebane," said Camp. "I think people will be pleasantly surprised at what downtown Mebane has to offer in the way of quaint restaurants, art galleries, shopping and other activities."

Z-Bowl will be located at the corner of East Washington and 5th Street in downtown Mebane just 1/2 block off Highway 70 (Center Street). From I-85/I-40, take exit #153 or #154 to downtown Mebane.
