

C. Ashley Mann, DDS Issues Final Call for Toys for Tots Donations; Offers Thanks to Salvation Angel Tree Helpers
(Raleigh,NC) - There are only several days remaining to donate an unwrapped toy or issue a monetary donation for this season's Toys for Tots drive at Dr. Ashley Mann's family dental and cosmetic surgery practice in Cary, an official collection site located at 315 East Chatham Street. Community members and patients alike are encouraged to drop by the office, grab a freshly baked cookie, and drop off their gift of generosity that will undoubtedly warm the heart of another. Any and all offerings for children to teens are welcomed and needed. We've participated in the Toys for Tots drive for a number of years, and this has been a slower collection year for us than in years past, noted Liz Russell, office administrator. We are so appreciative of those that have already contributed and hope that we can continue to rally with a big finish leading up to this Friday. Donations can be dropped off from 7:00a.m. until 3:00p.m. on Monday, Tuesday, and Thursday; from 7:00a.m. until 5:00p.m. on Wednesday; and from 7:00a.m. until 2:00p.m. on Friday, December 16. In keeping with the giving spirit, 2011 also marked the office's first participation in the Salvation Army's Angel Tree program. This past Friday, December 9, the practice collected and delivered sixty fulfilled "angel" wishes to the Salvation Army program. We want to send a big thank you to all who came into our office and took the time to fulfill a wish for those struggling this holiday season, stated Dr. Mann. This is certainly a special program we look forward to participating in again. For more information on the Marine Toys for Tots Foundation, visit www.toysfortots.org.
